

# Meatball Sandwich

## Ingredients:

- 4 Meatballs (*see recipe: Spaghetti with Meatballs*)
- 1 Sandwich-size French Baguette or you can use a Hotdog Bun
- ½ cup *Nana Pasta Sauce (Traditional)*
- Mozzarella Cheese to taste (optional)

## Preparation:

Prepare and cook meatballs in sauce as in *Spaghetti with Meatballs* recipe or warm up some leftovers.

Toast the baguette and then slice it open lengthwise to make a long sandwich – *it is not recommended to cut all the way through the bread* – the two halves should remain joined to hold the meatballs and sauce.

Heat *Nana Pasta Sauce* until simmering.

Place warm meatballs into the center of the split baguette, and then generously cover with sauce. The sloppier the better.

Use a fork and knife to eat, or eat with your hands (if you can).

For best results always use *Nana Pasta Sauce*.
